1	EnerSys EnerSys is the global leader for stored energy solutions for industrial applications.
2	Sopogy, Inc. Sopogy MicroCsp Parabolic trough Technology are used to create process heat, solar air-conditioning, electrical power and can be ground or rooftop mounted opening an entirely new market for CSP systems. Focus on commercial and utility sized projects.
3	MT2Y, LLC New technology lighting manufacturer, LED, induction, solar/wind, T5 retrofit kits, and solar surveillance. We manufacture energy efficient lighting products for the interior and exterior of facilities that reduce energy consumption/C02 usage and support alternative energy usage and GO Green Sustainability.
4	RERI (Solartechnics-Crystal, LLC) Solar PV product distributor and solar project developer.
6	Greenpath Technologies, Inc. GreenPath Technologies, Inc. is a full-service turnkey renewable energy solutions firm. The service commercial, residential, government, and non-profit sectors. Capabilities include concept, design, analysis, engineering, financing, integration, installation, and monitoring.
7	Multistack Multistack manufactures both modular and flooded air and water-cooled chiller systems that offer solutions for building owners concerned with installation costs, energy efficiency, future expansion and redundancy.
8	Lenox Metals, LLC Metals recycling
9	Holophane Electric Luminaires
10	Acuity Brands Lighting Lighting
11	Fluke Corporation Fluke Corporation is the world leader in compact, professional electronic test tools. From Industrial electronic installation, maintenance, and service, to precision measurement and quality control, Fluke tools help keep businesses up and running.
12	The Gas Company
13	Energy Industries, LLC Helping Hawaii's businesses to save money and improve operations through turn-key energy conservation and renewable energy programs, including hybrid energy projects, energy strategic plans, and energy financing programs.

|----|--|
| 14 | LuxTech Lighting
LuxTech Lighting is a Hawaii corporation that markets and distributes plasma light systems for high illuminance applications. Light-Emitting Plasma (LEP) solutions will reduce energy consumption up to 50%, reduce annual maintenance costs and increases visibility and safety. |
| 15 | Belimo Americas
Manufacturer of damper actuators and valves for HVAC systems. |
| 17 | SolarCity
SolarCity is the nation's leading full-service solar provider for homeowners, businesses and government organizations—the first company to provide solar power system design, financing, installation and monitoring services from a single source. We understand that the environmental impact of energy production is one of the greatest challenges that our planet will face in the near future, and are committed to doing our part to alleviate this impact. |
| 18 | E-Mon
E-Mon, the industry leader in submeters, offers a complete portfolio of products and systems for all energy monitoring needs. E-Mon D-Mon submeters and E-Mon automatic meter reading and analysis software have been preferred for over 24 years for applications such as tenant allocation and energy analysis, in addition to supporting LEED programs and the Energy Policy Act. |
| 19 | Illuminetix, Inc.
Energy efficient lighting products, fixtures, sensors, and ventilation products |
| 20 | Cree LED Lighting
LED lighting systems |
| 21 | RevoluSun
RevoluSun is bringing cleaner, smarter energy to communities, one rooftop at a time. |
| 22 | Grainger
Industrial supplies |
| 23 | TK Process Hawaii, LLC.
Energy efficient/LED lighting products |
| 24 | Admor HVAC Products, Inc.
Hawaii's HVAC Superstore. Energy efficient ductless, VRF and central air conditioning, air and water source heat pumps, insulation, ventilation, thermostats and controls. |
| 25 | Hawaii Energy
Hawaii Energy is a ratepayer funded conservation and efficiency program administered by SAIC under contract with the Hawaii Public Utilities Commission serving the Islands of Hawaii, Lanai, Maui, Molokai, and Oahu. |

26	The Light Edge The Light Edge is an established Portland, Oregon manufacturer of robust, energy-efficient T5HO lighting products suitable for retrofit or new construction. Our products enjoy a reputation for the highest quality in a wide range of applications all with a 15-year warranty.
27	Hybrid Pumps, Inc. Energy efficient pumps
28	Allana Buick & Bers, Inc. Turn-key engineering approach to alternative energy, renewable energy and energy conservation measures. Energy demand technologies include solar PV, solar thermal, wind, fuel cell, and more.
29	21st Century Lighting Enterprises Fixtures and light bulbs saving energy. Energy Star fixtures and light bulbs utilizing latest LED technologies for building, condo, retail, "Dark Sky", pole and outdoor lighting, and a multitude of additional applications.
30-31	Sunburst Designs Lighting and Electrical Equipment
32	Energy Management Consulting & Construction, LLC Energy efficiency and conservation services and products
33	Hawaiian Electric, Hawaii Electric Light, Maui Electric
34	Hawaiian Electric, Hawaii Electric Light, Maui Electric
36	SOL, Inc. SOS is the leading manufacturer of commercial-grade solar LED lighting solutions with 50,000+ installations worldwide. SOL develops innovative LED solar solutions that are well-engineered and easy to install for: roadways, parking lots, pathways, perimeter security and more.
37	Energy Management Consulting & Construction, LLC Energy efficiency and conservation services and products.
43	Solartechnics-Crystal, LLC Solar PV product distributor and solar project developer.
44	C&W Energy Solutions LED Lighting
45	AGT Services Generator testing and repair services
46	Hawthorne Pacific Corporation Hawthorne Pacific Corp. is the authorized Caterpillar dealer for Hawaii, Guam, and the Pacific providing standby & prime power generators, co-generation plants, switchgear, automatic transfer switches, and flywheel UPS systems.
