

1. Q. We would like to ask if HECO can provide copies of any existing Geotechnical data or study that you may have from your transmission work. The area of interest is on the north shore of Oahu (Kawailoa and Kahuku).  
A. No data is available.
2. Q. Could you please provide us (electronically) the transmission system map(s) for Oahu, with regard to the bid preparations, as they appear to no longer be available on your website?  
A. Please refer to Section C of HECO's Solicitation of Interest.
